Not long ago Brian Dunker established Dunker's Trading Post at 108 Selmon Rd. in Eufaula. Grand opening of the business was held on Thursday, May 5, 2011.

Dunker's offers a FREE game lounge with chess, checkers, darts, dominoes, cards; and other activities are being planned for the future.

The business also car-

ries an assortment of clothing and other products at low prices.

"We are a Christian establishment; and we're keeping our prices extremely low to help low income folks," said Dunker.

Dunker said he was once homeless, but with the blessings of God he is now able to provide a more stable home for himself, his wife and children.

Through his business, he wants to share those blessings with others.

Currently, Dunker also has booth space for rent for private vendors looking to earn a few extra dollars per month.

Dunker's Trading Post is open 10 a.m. to 6 p.m., Monday through Saturday. Later hours may be established if the need arises.

Youth under the age of 18 must have adult supervision in the game lounge.

For more information, call Dunker's Trading Post at 918-306-8172.
